CityLink Bushfire support

CityLink has extended its support to those affected by the devastating bush fires in Victoria, contributing \$100,000 from tomorrow's tolls to the Red Cross State Government Victorian Bushfire Appeal Fund. The contribution will work by directing \$1 from the first 100,000 CityLink customer tolls to the appeal fund.

We hope our donation, combined with the contributions of many Australian organisations, governments and individuals, makes a difference to the affected communities. Our thoughts are with them.

Where our customers have been directly affected by fires, CityLink will try to support them through what has been an extremely difficult time. We have set up a special email and phone number for those people to call direct to sort through any CityLink issues which arise as a result of the fires.

Details are on the CityLink website or they can call 1800 854 770 or email resolve@citylink.com.au
