Dear security holder,

On behalf of the Board, I am pleased to invite you to the 2018 Annual General Meetings (**AGM**) of the Transurban Group. The AGM will be held on Thursday, 11 October 2018 at 11:00am in the Clarendon Auditorium, Level 1, Melbourne Exhibition Centre, Melbourne Convention and Exhibition Centre, 2 Clarendon Street, South Wharf, Victoria.

A map and directions for getting to the AGM venue are included on the inside cover of the Notice of Meetings. The AGM will also be webcast live on Transurban's website at www.transurban.com.

At the AGM, the CEO, Scott Charlton, and I will update security holders on the operations and performance of the Transurban Group. Further information on the Group's financial and operational performance is also provided in the 2018 Transurban Group Annual Report, which is available on Transurban's website.

The AGM allows you to vote on matters important to you as a security holder. You may choose to consider and vote on the following resolutions, as detailed further in the Notice of Meetings:

- the election of Mark Birrell as a non-executive director;
- the re-election of Christine O'Reilly as a non-executive director;
- the adoption of the Remuneration Report; and
- the granting of performance awards to the CEO, Scott Charlton.

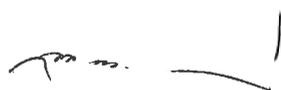

After over nine years on the Board, Rodney Slater has decided to retire at the conclusion of this year's AGM. On behalf of the Board and all security holders, I thank Rodney for his service and significant contribution to Transurban. A process is underway to appoint a likely USA-based non-executive director to replace Rodney and we expect to make an announcement in this regard in early 2019.

Detailed instructions on how to vote on AGM resolutions, or appoint a proxy to vote on your behalf if you are unable to attend the AGM, are included in the Notice of Meetings and enclosed personalised proxy form.

The AGM is also an important opportunity for the Board to hear directly from security holders. If you wish to submit questions in advance of the AGM, you may do so by emailing corporate@transurban.com or via www.investorvote.com.au by Thursday, 4 October 2018. We hope to address as many of the more frequently asked questions as practicable in my or the CEO's addresses at the AGM.

Following the conclusion of the AGM, you are welcome to join the Board and management for light refreshments.

On behalf of the Board, I thank you for your continued support and look forward to welcoming you at the AGM.

Lindsay Maxsted
Chair

- the consolidated financial report of THL, TIL and THT for the year ended 30 June 2018 (**Group Accounts**); and
- the reports of the directors and the auditor on the Group Accounts.

The Chair of the meetings will allow security holders a reasonable opportunity as a whole to ask questions about, or make comments on, the management of THL, TIL and THT. The auditor, PwC, will also attend the meetings and a reasonable opportunity will be given to security holders to ask questions of the auditor relevant to the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted in relation to the preparation of the financial statements, and the independence of the auditor in relation to the conduct of the audit. Security holders may also submit written questions to the auditor, PwC, on the content of the auditor's report or the conduct of its audit for the year ended 30 June 2018. Such questions must be received by no later than Thursday, 4 October 2018. The auditor is not required to provide written answers.

Security holders who elected to receive a hard copy of the Transurban Group Annual Report for the year ended 30 June 2018 were provided with a copy of the Group Accounts in that report. A copy of the Annual Report is also available on the Transurban website at www.transurban.com.

Item 2 – Election and Re-Election of Directors (THL and TIL only)

The following director has been appointed since the 2017 meetings, and accordingly retires in accordance with rule 35(b) of the THL and TIL constitutions and, being eligible, offers himself for election:

- (a)  **Mark Birrell**
BEC, LLB, FAICD
Independent non-executive director

Mr Birrell was appointed a director on 1 May 2018.

Mr Birrell is an experienced director with credentials spanning the private and public sectors. He is currently the independent Chair of Post Super Pty Ltd and his previous roles include being Chair of Regis Healthcare Limited, Infrastructure Australia, the Port of Melbourne Corporation, and Evans & Peck Limited, Deputy Chair of Australia Post, and National Leader of the Infrastructure Group at Minter Ellison Lawyers.

Mr Birrell was the founding Chair of Infrastructure Partnerships Australia, the nation's peak infrastructure sector body, and has a significant public policy background through his earlier service as a Cabinet Minister in Victoria.

Mr Birrell is considered by the directors to be an independent non-executive director.

The directors of THL and TIL (with Mr Birrell abstaining) unanimously recommend that security holders vote in favour of the election of Mr Birrell.

The following director retires by rotation in accordance with rule 35(c) of the THL and TIL constitutions and, being eligible, offer herself for re-election:

- (b)  **Christine O'Reilly**
BBus
Independent non-executive director

Ms O'Reilly was appointed a director on 12 April 2012.

Ms O'Reilly has over 30 years' experience in the finance and infrastructure sectors in various roles including as Co-Head of Unlisted Infrastructure at Colonial First State Global Asset Management and as CEO of the GasNet Australia Group.

Ms O'Reilly is currently a non-executive director of CSL Limited, Medibank Private Limited and Stockland. She is also a non-executive director of the Baker Heart and Diabetes Institute. She was previously a non-executive director of Energy Australia Holdings Limited.

Ms O'Reilly is considered by the directors to be an independent non-executive director.

If Ms O'Reilly is re-elected, she intends to serve a full term.

The directors of THL and TIL (with Ms O'Reilly abstaining) unanimously recommend that security holders vote in favour of the re-election of Ms O'Reilly.

Item 3 – Adoption of Remuneration Report (THL and TIL only)

The Remuneration Report details various matters regarding the remuneration of the Transurban Group's non-executive directors, the CEO and other senior executives, and is set out in the Transurban Group Annual Report for the year ended 30 June 2018. The Remuneration Report:

- explains the Board's policies in relation to the objectives and structure of remuneration;
- discusses the relationship between those policies and the Transurban Group's performance;
- provides a detailed summary of performance measures, why they were chosen, and how performance is measured against them; and
- sets out the remuneration details for each director and each of the other KMP of the Transurban Group.

The Chair of the meetings will allow security holders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

The vote on the adoption of the Remuneration Report is advisory only and does not bind the directors, THL or TIL. However, the directors will take the outcome of the vote into consideration when setting remuneration practices and policies for future years.

The directors of THL and TIL unanimously recommend that security holders vote in favour of adopting the Remuneration Report.

Special Business

Item 4 – Grant of Performance Awards to the CEO (THL, TIL and THT)

Security holder approval is being sought for the proposed grant of performance awards to the CEO, Scott Charlton, under the Transurban Group's Long Term Incentive (LTI) Plan on the terms set out below.

LTI Plan terms and conditions

If security holder approval is obtained, performance awards will be granted to the CEO as part of his remuneration package for the 2019 financial year. Each performance award entitles the CEO to one fully paid ordinary Transurban stapled security at the end of a three year performance period, subject to the satisfaction of the performance measures described below. Securities allocated to the CEO on vesting of the performance awards will rank equally with other Transurban securities.

The total number of performance awards to be granted to the CEO is determined by applying the valuation methodology (as set out below).

The valuation methodology is based on a face value approach (discounted for anticipated distributions and/or dividends during the three year performance period). The number of performance awards to be granted is calculated based on 100% of the CEO's LTI opportunity (being \$3.38 million) divided by the face value valuation (being \$10.67).

The total number of performance awards to be granted to the CEO will not exceed 316,870.

As the CEO's grant forms his LTI remuneration, the performance awards will be granted at no cost to the CEO and no amount is payable on vesting of the performance awards. The performance awards will be granted under, and subject to, the rules of the Transurban Group's LTI Plan. Performance awards do not carry any distribution or voting rights prior to vesting.

If security holder approval is obtained, it is anticipated that the performance awards will be granted to the CEO shortly after the meetings. No performance awards will be granted pursuant to this approval more than 12 months after the date of the meetings.

If the performance measures are satisfied, the performance awards will automatically vest. Whilst the Board has discretion to grant cash payments of equivalent value at

the end of the performance period, it is the Board's current intention to settle any vested performance awards in Transurban securities.

To compensate the CEO for the remuneration he would forego if security holder approval is not obtained, the Transurban Group may pay the CEO a cash amount (equivalent to the value the grant would have had at vesting had it been approved by security holders). The CEO will only receive a cash payment if the performance measures are satisfied.

Performance measures

The performance awards will be granted to the CEO in two equal tranches, which are subject to the following performance measures over a three year performance period:

- relative TSR tranche—half of the performance awards will be subject to a vesting condition based on relative Total Shareholder Return (TSR) measured against a bespoke comparator group comprising companies within the ASX top 150 in the transport, utilities, real estate, construction and infrastructure Global Industry Classification Standards sectors; and
- FCF per security tranche—half of the performance awards will be subject to a vesting condition linked to Free Cash Flow (FCF) per security, which reflects the Transurban Group's focus on the maximisation of free cash to drive security holder return.

The performance awards lapse if the performance measures are not met at the end of the performance period. There is no re-testing of performance awards after the vesting date.

Relative TSR measure

The relative TSR tranche of the performance awards will vest if the Transurban Group's relative TSR performance is at least above the median of the bespoke comparator group of companies at the end of the three year performance period, in accordance with the following vesting schedule:

Transurban Group's relative TSR ranking against comparator group	% of performance awards that vest
At or below the 50th percentile	Nil
Above the 50th percentile but below the 75th percentile	Straight line vesting between 50–100%
At or above the 75th percentile	100%

The performance period will run from 1 July 2018 until 30 June 2021. At the end of the performance period the Transurban Group will receive an independent report that presents the Transurban Group's TSR growth against the bespoke comparator group and that of each company in the comparator group. Rankings are awarded (the highest ranking company being ranked at the 100th percentile) to determine the extent to which performance awards subject to this performance measure will vest. As shown by the schedule above, no performance awards will vest unless the Transurban Group's relative TSR is above the 50th percentile.

Free Cash Flow per security measure

Within the Transurban Group, FCF per security is defined as:

- Cash flows from operating activities
- **Add back:** transaction and integration costs related to acquisitions
- **Add back:** payments for maintenance of intangible assets
- **Add:** capital releases from 100% owned assets
- **Less:** cash flow from operating activities from consolidated non 100% owned entities
- **Less:** allowance for maintenance of intangible assets for 100% owned assets
- **Less:** debt amortisation for 100% owned assets
- **Add:** dividends and shareholder loan payments received from non 100% owned entities
- **Divided by:** weighted average number of securities on issue at 30 June.

The FCF per security tranche of the performance awards will vest depending on the Transurban Group's compound annual growth targets translated into annual FCF per security over the three year performance period. The FCF per security vesting schedule is as follows:

% annual growth in FCF per security (distribution base of 56.0 cents per security)	% of performance awards that vest
5.5%	50%
Between 5.5% and 7.5%	Straight line vesting between 50–100%
7.5% or more	100%

The FCF calculation is determined on a per security basis by the Board, in its sole discretion. The Board has discretion to adjust the calculation of FCF per security (for example, to adjust for the impact of significant events, including but not limited to, major projects being undertaken during the performance period that impact on FCF). The number of securities will be calculated for each financial year and will be expressed as a weighted average over the relevant period. The movement in FCF per security best reflects the Transurban Group's underlying business performance.

The Transurban Group's FCF outcome for each financial year will be included in the Transurban Group's audited financial statements for the relevant year.

Treatment of performance awards on cessation of employment

If the CEO resigns or his employment is terminated for cause before the vesting conditions are tested, all of his unvested performance awards will lapse (unless the Board determines otherwise). In all other circumstances, a pro rata number of the CEO's performance awards will remain on foot and will vest at the end of the performance period subject to satisfaction of the original performance conditions (unless the Board determines otherwise).

Change of control

In the event of a takeover or change of control of the Transurban Group, any unvested performance awards will vest at the discretion of the incumbent Board. Performance awards that vest following a change of control will not generally be subject to restrictions on dealing.

Other information

In relation to the LTI Plan:

- the CEO is the only director entitled to participate in the LTI Plan;
- in accordance with security holder approval obtained at the 2017 meetings, Mr Charlton has been granted 309,697 performance awards, at no cost, under the LTI Plan since the last approval;
- there is no loan scheme in relation to the performance awards;
- the CEO is prohibited from hedging the security price exposure in respect of performance awards during the performance period applicable to those performance awards;
- if security holder approval is given under ASX Listing Rule 10.14, approval will not be required under ASX Listing Rule 7.1; and
- if security holder approval is obtained, further details of the performance awards granted to the CEO under the LTI Plan will be provided in the Remuneration Reports for the years ending 30 June 2019, 2020 and 2021 respectively.

The directors (with Mr Charlton abstaining) consider the grant of performance awards to the CEO to be appropriate in all the circumstances and unanimously recommend that security holders vote in favour of the grant.

General

Stapled security holder meetings

At present, the shares in THL and TIL and the units in THT are stapled together under the THL constitution, the TIL constitution and the THT constitution to form stapled securities. This means that all shareholders of THL and TIL are also unitholders of THT and, as such, the meetings of THL and TIL and of THT are held concurrently.

Required majority and voting entitlement

The resolutions described in items 2, 3 and 4 are ordinary resolutions and each will be passed if at least 50% of votes cast by security holders entitled to vote on the resolution are cast in favour of the resolution.

The vote on each resolution will be decided on a poll as determined by the Chair of the meetings, subject to any requirements of the Corporations Act and the THL, TIL and THT constitutions.

On a resolution of THL or TIL determined by a poll, each security holder present in person or by proxy has one vote for each fully paid ordinary share held. On a resolution of THT determined by a poll, each security holder present in person or by proxy has one vote for every dollar of the value of the total interest they have in THT. The value of a security holder's total interest in THT will be calculated by reference to the last sale price of stapled securities on the ASX on Wednesday, 10 October 2018.

Voting and proxies

Eligibility to vote

For the purposes of determining entitlement to vote at the meetings, stapled securities will be taken to be held by those registered as holders as at 7:00pm AEDT on Tuesday, 9 October 2018. Transactions registered after that time will be disregarded in determining security holders' entitlement to vote at the meetings.

Proxies and corporate representatives

A security holder can attend and vote at the meetings either by:

- attending and voting in person, or if the security holder is a corporate security holder, appointing a corporate representative to act on the security holder's behalf; or
- appointing an attorney or a proxy to attend and vote for the security holder.

Voting by corporate representative

Any corporate security holder or proxy must appoint a person to act as its representative. The representative must bring a formal notice of appointment signed as required by section 127 of the Corporations Act or the constitution of the corporation. A form of notice of appointment can be obtained from Computershare Investor Services Pty Limited or downloaded from www.investorcentre.com/au.

Voting by proxy

If a security holder does not want to attend the meetings but is entitled to attend and vote, the security holder can appoint a representative or the Chair as proxy to vote for the security holder. A representative can be a natural person, but does not need to be a member of the Transurban Group. If the representative is a proxy, the proxy can be appointed in respect of some or all of the votes held by the security holder. If the security holder is entitled to cast two or more votes, the security holder can appoint two proxies and specify the proportion or number of votes each proxy is appointed to exercise. If the proportion or number of votes is not specified, each proxy may exercise half the votes. On a poll, each proxy may only exercise votes in respect of those securities or voting rights the proxy represents.

Completed proxy forms (together with any authority under which the proxy was signed or a certified copy of the authority) must be returned to Computershare Investor Services Pty Limited at least 48 hours before the meetings for the proxy to be effective (that is, no later than 11.00am AEDT on Tuesday, 9 October 2018). Voting exclusions

Certain voting restrictions apply to item 3 (adoption of Remuneration Report) and item 4 (grant of performance awards to the CEO). If you wish to appoint a member of the KMP (which includes each of the directors and the Chair) as your proxy, please read the voting exclusions carefully. Security holders are encouraged to direct their proxies how to vote.

How the Chair intends to vote available proxies

The Chair of the meetings intends to vote all available proxies in favour of the resolutions set out in this Notice.

Default to the Chair

Any directed proxies that are not voted on a poll at the meetings will automatically default to the Chair of the meetings, who is required to vote proxies as directed.

Voting by attorney

Where a security holder appoints an attorney to act on his or her behalf at the meetings, such appointment must be made by a duly executed power of attorney. The power of attorney or a certified copy of the power of attorney must be received by 11.00am AEDT on Tuesday, 9 October 2018. The power of attorney must be provided to Computershare Investor Services Pty Limited as set out above.

Admission to meetings

Proof of identity will be required.

Security holders or their proxies, attorneys or representatives who will be attending the meetings are asked to arrive 15 minutes prior to the start of the meetings and to bring their proxy form to help speed up admission. Security holders who appoint a proxy or attorney may still attend the meetings. However, if the security holder votes on a resolution, the proxy or attorney is not entitled to vote as that security holder's proxy or attorney on the resolution.

Security holders who do not plan to attend the meetings are encouraged to complete and return a proxy form.

Webcast

A live webcast of the meetings will be available on the Transurban website at www.transurban.com from 11.00am on Thursday, 11 October 2018. The webcast will be recorded and be made available to view after the meetings.

Conducting the meetings

The meetings are intended to give security holders the opportunity to:

- hear presentations from the Chair and the CEO about the operations and performance of the Transurban Group;
- consider and vote on the resolutions before the meetings; and

- ask questions of the Board, management and the auditor generally on the items of business before the meetings, the management of the Transurban Group, the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted in relation to the preparation of the financial statements, and the independence of the auditor in relation to the conduct of the audit. The Chair and the CEO will generally answer questions on behalf of the Board and management.

To help achieve these objectives the Transurban Group will:

- webcast the meetings for the benefit of those security holders unable to attend the meetings in person;
- provide a reasonable opportunity for security holders at the meetings to ask questions of the Board;
- make sign language (AUSLAN) available for security holders with hearing difficulties;
- answer security holders' questions honestly and fairly. If a question cannot be answered at the meetings, the Transurban Group will seek to provide a response to the security holder asking the question after the meetings; and
- inform security holders as to the proxy voting positions with respect to the resolutions to be considered by the meetings and the manner in which the Chair of the meetings intends to vote available proxies.

To help achieve these objectives the Transurban Group asks that security holders:

- are courteous and respectful to all security holders and others attending the meetings;
- keep their questions and comments to a reasonable length of time to allow as many security holders as possible who may wish to speak at the meetings the opportunity to do so; and
- confine their questions to the matters before the meetings.

Security holders may submit written questions in advance of the meetings by emailing corporate@transurban.com or online at www.investorvote.com.au. Questions must be received by Thursday, 4 October 2018. The Chair of the meetings will endeavour to address as many of the more frequently raised relevant questions as possible during the course of the meetings. However, there may not be sufficient time available at the meetings to address all of the questions raised. Please note that individual responses will not be sent to security holders.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

Appointment of Proxy

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the 'for', 'against' or 'abstain' box or boxes. The sum of the votes cast on each item of business must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to cast two or more votes, you may appoint up to two proxies to attend the Meetings and vote on a poll. If you appoint two proxies you must specify the proportion or number of votes each proxy is appointed to exercise otherwise each proxy may exercise half of the votes on a poll. When appointing a second proxy write both names and the proportion of votes or number of votes for each in Step 1 overleaf. If you appoint two proxies neither may vote on a show of hands.

A proxy need not be a security holder of Transurban.

Default to the Chair of the Meetings

If you leave Step 1 blank, or if your appointed proxy does not vote on a poll in accordance with your directions or does not attend the Meetings, then the proxy appointment will automatically default to the Chair of the Meetings, who is required to vote the proxies as directed.

Therefore, if you intend to appoint a member of the key management personnel or one of their closely related parties as your proxy on items 3 and 4, or an associate of the CEO as your proxy on item 4, please ensure that you direct them how to vote on items 3 and 4 by marking the 'for', 'against' or 'abstain' box for items 3 and 4 (except in the case of the Chair of the Meetings, where you may expressly authorise him or her to vote your undirected proxy – see Step 1 overleaf).
